

TO ENABLE ALL YOUNG PEOPLE TO BECOME: RESPONSIBLE CITIZENS

Implementation of Citizenship Programmes in Primary Schools in the Western Isles

TELL US ABOUT INTERESTING PRACTICE IN CITIZENSHIP

Name of School

Into which areas of school life does the Pupil Council have decision making input?
e.g. school trips, tackling bullying, school facilities, curricular issues, issues to do with learning.

What changes have been made in the school in the last 2-3 years that have originated from the Pupil Council?

2. School – Community Links

What opportunities exist for pupils to be involved in link activities with the local community? Please indicate the classes involved.

P1-3

P4-7

Enterprise activities

Community involvement; social service

Local studies/investigations

Sporting events involving other schools

Cultural events or competitions
Including public performance

Other (please specify)
e.g. Award schemes such as Duke of Edinburgh's Award

Please list other activities that your school participates in involving any of the following members of the community; (elected political representatives, community councillors, police, members of the business community, parents with specific skills, churches, charities, voluntary organisations) **Give as much detail as you can about these activities.**

3. What other interesting projects on Citizenship are taking place in your school? Please tell us about interesting projects that are taking place in your school that promote good citizenship. Some ideas are outlined overleaf.

You do not need to complete every section.

What is it about? (A one line title will suffice)
How did it start?
What is happening? (A brief description)
Which pupils/teachers are involved in the project?
Which outside agency/organisations have been involved?
What is the impact on the pupils and the school in general?
What will happen next?
Are there materials you would be willing to share with us?

Some ideas that you could tell us about
