Dear Mr MacLeod

**INVESTORS IN PEOPLE MAINTAINING THE STANDARD
Comhairle nan Eilean Siar (Western Isles Council) - Education Department**

I am pleased to tell you that Comhairle nan Eilean Siar (Western Isles Council) - Education Department has been successful in maintaining the principles of the Investors in People National Standard.

I recognise the commitment necessary to adhere to the rigorous standard set when Comhairle nan Eilean Siar (Western Isles Council) - Education Department first became an Investor in People. I am sure that the benefits that accrue from the programme of change you have instigated are felt at every level of your organisation, through both individual and corporate development.

Your continued success is a testament to your committed management and involved employees and the effort that you have together invested in pursuit of improvement.

May I, on behalf of my team, extend our warmest congratulations to you for maintaining the Investors in People National Standard.

Yours sincerely

H H Rissmann
Chairman, Investors in People Scotland
