"One wheel can get you places."

**Gaelic Medium Education:
The Route to Bilingualism**

Reasons for choosing Gaelic Medium Education

Parents want children to be part of their own language heritage

Some parents who have only one language want their children to be bilingual

Gaelic is the language of the community, so it is natural to want to learn it

There is reason and opportunity to use Gaelic in everyday settings

Knowledge of Gaelic will give children access to a rich cultural heritage

It is widely recognised that bilingualism confers educational and intellectual advantages

Learning of a third language is facilitated by the learning of a second

An increasing number of jobs now regard an ability to speak Gaelic as an advantage
