NOTES ON SECTION 1 - CONSERVANCY

- 1 For the purposes of this Schedule the Gross Registered Tonnage shall be taken to be the Gross Tonnage of the International Convention on Tonnage Measurement of Ships 1969. Where a vessel does not have such a certificate the rateable tonnage shall be that described in the Gross Registered Tonnage (GRT) certificate of the Oslo Convention 1947 plus the total of tonnage listed as exempted and/or unmeasured spaces on that certificate. Alternatively, the rateable tonnage shall be based on an assessment of the gross tonnage, as so ascertained, made by appropriate officers of the Harbour Authority.
- 2 Where charges in this schedule are determined according to length, this is to be taken as waterline length.
- 3 All dues are payable on arrival at piers where a pier master is employed.
- 4 All yearly rates are from 1 April to 31 March and shall be paid in advance.
- 5 Vessels paying the yearly rate shall be deemed eligible to use any of the Comhairle Nan Eilean Siar's ports or harbours at any time during that year without being charged further conservancy fees. However commercial users will be given precedence in allocation of berths.
- 6 Except in the case of fishing and fish farm vessels' composition dues, the harbour dues listed under this section are exclusive of VAT which will be added at the current rate to account for conservancy charges for -

All private and commercial leisure craft
All other vessels less than 15 gross registered tonnes

The composition rates for fishing vessels are inclusive of VAT where appropriate.

- 7 The Harbour Authority has power to negotiate a composition rate with all regular users of the Harbour.
- 8 Composition dues are payable in advance. When charges at the call rate or Ad Valorem rates have been levied on vessels which have not paid composition dues, such charges are not refundable and will not be rescinded if subsequent payment of composition dues is made.
- 9 The master of any vessel coming within the pier or harbour area will report his presence to the Harbourmaster within 24 hours of arrival and comply with any berthing or anchoring instructions given by the Harbourmaster. At unmanned harbours, piers and jetties the master will report his vessel's presence, size, length of stay and purpose along with notification of a permanent address to which all dues incurred may be invoiced, in writing, to the Harbourmaster at the following address:

Comhairle nan Eilean Siar
Technical Services (Harbours)
Balivanich
Benbecula
HS7 5LA

If the master of any vessel attempts to evade the payment of any charges that he may be owing in respect of conservancy, wharfage and other miscellaneous costs, he shall become liable to pay 3 times the amount which would have otherwise been due plus any further expense incurred by the Comhairle to obtain settlement.
- 10 Access to power points and cranes will only be available to vessels upon payment of composition dues and in the case of cranes, upon completion of a familiarisation course.
- 11 Vessels wishing to be a regular customer of the Comhairle nan Eilean Siar Marine Fuel Sales can apply to the Harbourmaster at the above address.
- 12 In the event that Comhairle piers are used for any activities not otherwise covered in this Schedule a rate for such activities may be negotiated with the Harbour Authority.
