**SERVICE TO SPORT AWARD**

Donald 'Dano' Macdonald was one of the key people who set up the Back Primary Football Development Club (BPFDC) 12 years ago. His vision

was for a Club that would train youngsters from P2 upwards—boys and girls— in a range of sporting activities regardless of their ability.

He has also worked tirelessly with others in the Back area in achieving facilities for the young people in the area including a floodlit all-weather surface, a new grass pitch and a sports hall housing 5 badminton courts at Upper Coll.

He has undertaken placements at Everton F.C., Liverpool F.C., Blackburn Rovers F.C., and Leeds F.C. as well as at F.C. Barcelona in Spain. His aim in undertaking these placements was to acquire coaching skills and techniques which he could then deploy with the young people in the district of Back.

Dano takes a keen interest in coaching badminton, and conducting general fitness programmes as well as Football.
