

In five years, in our community, I'd like to see.....

What would you like to see preserved in your local community? What would you like to see changed? Share some ideas, a few rough sketches, ideas or any other way of responding to the question and add it to the fabric of our shared community social dream!

Have your priorities and how you see things changed since the start of the COVID-19 pandemic?

What would you like to see different and/or stay the same with yourself, our community, the buildings, wildlife and landscape?
How does this vision of the local link to your dreams for the world as a whole?

Why is this important?

Rural communities, like all communities, are changing. Most especially through new technologies affecting how we socially connect. In smaller communities, this can be especially pronounced. What changes do you want to see, or not see? By sharing our "social dreams", this can provide insights that benefit all and be a powerful research tool.

Community Activity Idea

Whose thoughts and ideas would you like to hear about? Could you give them a call, an email or ask them over for a catch-up (and a cup of tea!). If you get in touch or share our website, they can download their own postcard or we can send one so they can do it themselves!

Ann an còig bliadhna, nar coimhearsnachd, bu toigh leam faicinn ...

Dè bu toigh leibh a bhith air a dhìon nur sgìre? Dè bu toigh leibh atharrachadh?

Cuiribh thugainn beachdan, sgeidsichean sìmplidh no dòigh sam eile air freagairt na ceist agus a' chur ri bruidh sòisealta ar coimhearsnachd coitcheann!

Bheil ur prìomhachasan agus mar a tha sibh a' faicinn chùisean air atharrachadh bho thòisich galar COVID-19?

Dè dh' atharraicheadh sibh no a bhiodh sibh airson a chumail an aon dòigh leibh fhèin, ar coimhearsnachd, toglaichean, fiadh-bheatha agus an cruth-tìre? Dè mar a tha ur miann airson an ceangal ionadail a freagairt air ur rùn airson an t-saoghal mhòr?

Carson a tha seo cudromach?

Tha coimhearsnachdan dùthchail, coltach ris a h-uile coimhearsnachd, ag atharrachadh. Gu sònraichte mar a tha teicneòlas ùr a' toirt buaidh air mar a tha sinn a' ceangal ri chèile gu sòisealta. Ann an coimhearsnachdan nas lugha, faodaidh seo a bhith buileach nochdaidh. Dè na h-atharraichidhean a bhiodh sibhse airson fhaicinn, no nach biodh? Le bhith a' foillseachadh ar "bruadaran sòisealta", gheibh sinn boillsgeadh air buannachdan dhan a h-uile duine agus tha e na inneal rannsachaidh cumhachdach.

Beachd airson Gnìomh Coimhearsnachd

Cò na beachdan a bu toigh leibh cluinntinn? Am b' urrainn dhuibh fòn a chur thuca no post-dealain no iarr orra coinneachadh airson beagan còmhraidh (agus balgam teatha!). Ma bhios sibh ann an conaltradh no ga chur air ar làrach-lìn, faodaidh iadsan an CAIRT-PHUIST aca fhèin a luchdadh a-nuas no faodaidh sinn fear chur thuca gus an dèan iad fhèin e!
