

Non-Domestic Rates

The amount of non domestic rates you pay is based on the rateable value placed on your property by the Assessor and multiplied by the rate per pound announced each year by the Scottish Government.

A range of exemptions and reliefs are available. Further information is available on the back of your bill, our website (www.cne-siar.gov.uk) or you can contact us on 01851 822645. You can email us at rates@cne-siar.gov.uk, or write to us at Revenues and Benefits, Comhairle nan Eilean Siar, Sandwich Road, Stornoway HS1 2BW.

Collection of Council Tax

If you fall behind with your payments we will send you a reminder that will give you 7 days to bring your payments up to date. If you do not pay you will lose the right to continue to pay by instalments and the full amount for the rest of the year becomes due.

No further reminders will be sent to you and we will apply to the Sheriff for a Summary Warrant which will add a Statutory Penalty of 10% of the amount outstanding onto your bill. We may then pass this to our Sheriff Officers for collection and this could be through an arrestment of your wages or your bank account. Any additional Sheriff Officer expenses incurred are also payable by you in addition to the 10% surcharge.

If you are having difficulty paying please contact us on 01851 822645 or email us at debt.recovery@cne-siar.gov.uk as soon as possible.

Waste and Sewerage Charges

Council Tax bills include charges made by Scottish Water for Water and Sewerage services. Whilst the Council is required by law to include these charges in its bills, it is not responsible for setting them. The level of the charges is set by Scottish Water and is subject to scrutiny by the Water Industry Commissioner for Scotland and the Scottish Government.

Council Tax

Council Tax is normally payable by the resident owner(s) or resident tenant(s) of a domestic property. Husbands and wives, couples living together, joint owners/tenants have joint liability for the Council Tax. Comhairle Nan Eilean Siar is required by law to bill and collect Council Tax, along with Water and Sewerage charges on behalf of Scottish Water (if you are connected to water and sewerage systems provided by Scottish Water).

Council Tax is normally payable by 10 monthly instalments over the months April to January and unless you have a special arrangement, or pay by direct debit, payment is usually **due by the 1st of each month**. Please see your bill for a range of payment options .

Occupied Property Reductions

Some occupied properties may be exempt (for example, where all the occupants are aged under 18).

A discount of 25% may be awarded if you are the sole adult resident (aged 18 or over) in the property.

A reduction may be possible if a resident is disabled and the property has certain features or facilities provided to meet their needs. The reduction takes the form of a drop in the valuation band (for example, from Band C to Band B).

A Council Tax Reduction may be available if you are on a low income. The amount awarded will depend on your household income, capital, personal circumstances and the amount of Council Tax payable.

Some discounts and reductions cannot be awarded on the water and sewerage element of your bill.

Unoccupied Properties

If your property is unoccupied you may be entitled to an exemption for a limited period.

If you are not entitled to an exemption and your property is long term empty you will have an extra charge levied which will double your council tax (see the back of your bill for more details or contact us for more information).

If you are not entitled to an exemption and your property is not long term empty you may get a discount (ranging between 10% and 50%).

If you think any of the above apply to you please see our website for further information (www.cne-siar.gov.uk), call us on 01851 600502 or email us at counciltax@cne-siar.gov.uk Application forms to apply are also available through our website.
