QUOTES FROM CURRENT & PAST LEARNERS:

'It is a handy place to come to centre of Town. Learn quite a lot, computing, the tutors are quite good.'

'A warm welcome you can take your own pace at learning, a relaxed atmosphere'

'I enjoy coming to the learning shop because the staff are helpful and the learning is fun and informal—not like school'

'Warm welcome, helpful and enjoyable. Plus you learn a lot as well when you walk in the doors of the Learning Shop.'

The Western Isles Learning Shop offers and provides a comfortable environment for adults looking to learn and develop new skills.

Learning is tailored to the individual's needs and progress is measured by how much it has changed the learner's life. The learner has equal input to the pace, style and pattern of learning. Learning can be undertaken one-to-one, in a group or self-directed during a drop-in session.
