

Western Isles Youth Council

The Lewis Youth Council, Harris Youth Council, Uist Youth Council and the Barra Youth Council make up the Western Isles Youth Council. Youth Councils meet to discuss and act on issues which matter to young people. The Annual Western Isles Youth Council Conference takes place in March. The 2010 Conference "Being Young Is Not A Crime" was held in the Harris Hotel and youth council members commented that "It was good to meet other council members and find out about their problems" and "it was an informative and fun way to meet people from different places and discuss issues that affect young people".
