

Outer Hebrides Local Housing Strategy 2024-2029 Questionnaire

In the questionnaire we talk about a "Housing System". By this we mean good quality homes that are suitable for your needs and the things that work together to help you to live well in the area you live in, such as transport and accessible services.

1.		e a strong contribution to health and well-being, encourage upport the sustainability of our communities". Is this still the right No
If	you said "no", what do you th	nink it should be?
