

PUBLIC INFORMATION NOTE NO 2 - ISSUED 22 SEPTEMBER 2025

25/00061 - HVDC Converter Station, Arnish, Isle of Lewis.

Proposed Construction and Operation of a Strategic Electricity Transmission Hub Consisting of a 400kV AC Substation, an HVDC Converter Station, and the Associated Undertaking of Earthworks, the Formation of Platforms, Landscaping, Means of Access, Means of Enclosure, Site Drainage, Temporary Construction Compounds, Peatland Reinstatement and Improvement and Other Associated Operations (National Development)

Public Consultation

Following the closure of the public consultation period in respect of the supplementary environmental information, the assessment of the application including the further representation comments submitted is still ongoing.

Provisionally, the application is now expected to come before a special meeting of the Planning Applications Board and the Comhairle in early November 2025.

The committee dates will be publicised once confirmed.

Further Updates

Public Information Notes will be posted to the online file at key stages in the process.
