Matters arising from last meeting:

Notice Boards: RF noted that the council requests that a risk assessment is needed to be carried out. The council is happy to put notice boards at the end of the Dalmore Toilets;

Dalmore Toilets: It was noted that the toilets need a new lock; RF will speak to Iain Campbell about this

Finances: It was discussed what was paid in the last months

Tolsta Chaolais water pipes: Work is being carried out to fix some of the issues

AOB:

Playpark: SU looked up playpark equipment and found a company called Kompan that supplies the council with playpark equipment and sourced a catalogue. She also looked at funding options. We need to cost the work and what playpark equipment is needed. She sourced someone could help with a digger. We need to ask around to see who can help out with the putting up. Possibly get funding in stages.

Transocean platform at Dalmore: Chris Mayers contacted SE in regards to the funds sent by Transocean company to Comhairle. He was referred to speak to Comhairle on where the money was spent on.

As there was no other business to discuss, the meeting was closed.

Date of next meeting: Tuesday 18th of March 2025
