Pact Update

IM to make contact with the group for an update and AGM update.

Youth Provision

BIG to send out social media post to ask if this is something the community want to move forward with. Parents will be reminded that the NTCC will support parents/volunteers run youth provision but will be unable to take the lead.

Invasive Species

We will continue to raise all concerns to relevant bodies in regards to all invasive species in our community. As previously stated, we are not landowners and can only raise concerns to the relevant bodies in response to any concerns raised from local community members.

Treasurers Report

Outstanding invoice for the Remembrance Wreath to be paid when sent to NTCC. Currently we have an overall balance of £18,538.32 with £15,000 ring fenced for future projects.

Skip Payments

InnesM to discuss this with TCDL on moving forward with this.

Community Challenge Fund

NTCC potentially entitled to a small share of this fund. More info to follow when all information is confirmed.

Garry Beach Signage

Due to winter storms, there has been damage to some signage at Garry Beach. **GM** to add this to future upcoming projects.

AOCB

Future Events

Coffee Morning to be held on 8th February. 11am – 1pm provisional date and time. **AH** to contact TCDL to confirm booking of the hall.

A community questionnaire draft has been made. This will be refined and distributed at the event to gather information from the local community.

Minutes of meetings

BIG to post link for updated minutes with info for upcoming meetings.
