Municipal Services

Aims and Objectives

- Provide front line municipal services to the public and the local business community of the Western Isles
- Ensure that all services are delivered in a safe manner to protect service users and Comhairle staff
- Achieve compliance with current Legislation
- Operate services efficiently while balancing the need to continue to deliver statutory and non-statutory services with a reduced budget provision

Municipal Services

Public Transport

Bus Services

- School Bus Transport is a statutory service which is funded by Education, Skills and Children's Services and managed by Municipal services.
- Public Bus Transport is operated by subsidy across the Western Isles. No public bus services operate on a commercial basis.
- Bus na Comhairle provides an in-house public bus service for the Broad Bay routes.

Bus Services – Gaelic Plan

- All bus service contracts are currently driven by price with very limited margins for the development of enhanced use of Gaelic
- However, the new Comhairle website will be fully translatable to Gaelic
- This translation facility will include bus timetables and other customer information
