Bha Sgioba na Gàidhlig mothachail gun robh ùine air a bhith ann bhon a choinnich buidhnean Gàidhlig a thaobh co-obrachadh mu leasachadh na Gàidhlig sna h-Eileanan. Chaidh a' choinneamh a chur air dòigh mar chùis an ìre mhath èiginneach, air sgàth mar a bhios Riaghaltas na h-Alba ag ainmeachadh cuid de choimhearsnachdan Gàidhlig mar Sgìrean Sònraichte Gàidhlig a thaobh Bile nan Cànanan Albannach ùr.

5.2

Bha sreach farsaing de bhuidhnean air an riochdachadh aig a' choinneamh, a' gabhail a-steach: oifigearan na Comhairle bho Fhoghla姆 is Sheirbheisean Chloinne, Sgioba na Gàidhlig, bhon Aonad Ioma-mheadhan, agus bho Sheirbheis an Leabharlann; MG Alba; Acair; e-Sgoil; Fèisean nan Gàidheal; An Lanntair; An Taigh Ceilidh; Cothrom; Comunn Eachdraidh

MAIN POINTS ARISING FROM THE MEETING

6.1 The meeting began with each representative detailing the main areas of work each organisation was involved in, in terms of Gaelic development. Following this, there was discussion about the main areas of success and of difficulty each organisation encountered in delivering services in Gaelic, with opinions offered about potential solutions to difficulties and actions that could be implemented.

6.2 It was felt that the following was working very well in terms of developing and promoting the language:

- Raising the profile of Gaelic in social media and through digital developments.
- Organising events for older people and young children.
- Supporting and encouraging the parents of children in Gaelic Medium Education.
- Increasing interest and pride in the language through music.
- Getting high level political support.
- Bringing in funding to the Isles.

6.3 It was felt that the following were particularly challenging in terms of developing and promoting the language:

- A lack of time for, and encouragement of, employees to improve their Gaelic language skills in the workplace.
- A lack of confidence amongst young people who have left school in terms of using Gaelic.
- A need to expand career pathways in which Gaelic is considered an essential skill.
- Competition amongst organisations for available funding.
- A lack of Gaelic usage by parents, and people in communities generally, when

6.1

NA PRÌOMH PHUINGEAN A THÀINIG A-MACH ÀS A' CHOINNEAMH

Thòisich a' coinneamh le gach riochdaire ag innse mu na prìomh rudan anns an robh gach buidhean an sàs a thaobh leasachadh na Gàidhlig. An uairsin, chaidh deasbad a dhèanamh air na prìomh rudan a bha soirbheachail is na prìomh chnapan-starra a bha ann airson gach buidheann a thaobh a bhith a' libhrigeadh sheirbheisean sa Ghàidhlig, le beachdachadh air na fuasglaidhean agus gniomhan a dh'fhaodadh a bhith ann.

6.2

Bhathas a' faireachdainn gun robh na leanas ag obair glè mhath a thaobh a bhith a' leasachadh is ag àrdachadh a' chàinain:

- A' togail ìomhaigh na Gàidhlig tro na meadhanan sòisealta agus tro leasachaidhean didseatach.
- A' cur thachartasan air chois do sheann daoine agus dhan fheadhainn às òige.
- A' bhith a' brosnachadh agus a' cur taic ri pàrantan chloinne ann am Foghlam tro Mheadhan na Gàidhlig.
- A' togail ùidh agus ùaill anns a' chànan tro cheòl.
- A' faighinn taic phoilitigeach aig ìre àrd.
- A' tarraing a-steach maoineachaidh do na h-Eileanan.

6.3

Bhathas a' faireachdainn gun robh na leanas gu math dùbhlach a thaobh a bhith a' leasachadh is ag àrdachadh a' chàinain:

- Dìth ùine agus brosnachaidh do dhaoine piseach a thoirt air sgilean càinain Ghàidhlig san àite-obrach.
- Dìth misneachaiddh do dhaoine òga a th' air an sgoil fhàgail a thaobh cleachdadh na Gàidhlig.
- Feum ann airson leudachadh ann an slighean-obrach anns a bheil Gàidhlig air a meas mar sgil riatanach.
- Co-fharpais a thaobh maoineachadh am measg bhuidhnean.
- Dìth cleachdaidh na Gàidhlig le pàrantan no muinnir na

6.4	<p>It was agreed that it was extremely important that organisations worked together to ensure that they were making best use of any funding that they were in receipt of, that duplication of work was not happening across the organisations, or that gaps in Gaelic provision were left unfilled. There ought to be clear evidence of the effectiveness of any work in which organisations were involved.</p>	<p>Chaidh aontachadh gun robh e air leth deatamach gun obraicheadh buidhnean còmhla gus dèanamh cìnnteach gun robhar a' dèanamh barrachd feum den mhaoineachadh a bhathas a' faighinn, nach robh dùblachadh a' dol air adhart am measg nam buidhnean, no beàrnan gun lionadh. Bu chòir gum biodh dearbhadh follaiseach ann air èifeachdas na h-obrach anns an robhar an sàs.</p>
6.5	<p>It was agreed that organisations present at the meeting should initially focus on the three following aims in terms of developing the use of Gaelic:</p> <ul style="list-style-type: none"> • Organisations should be encouraged to give more time to employees to develop their spoken Gaelic skills. • Adults with Gaelic skills should be encouraged to increase their use of Gaelic in talking to children. Thàinig fios-naidheachd na Comhairle a-mach mu seo air 28 Giblean, gus iomairt a brosnachadh am measg a' phobaill gus cleachdadh na Gàidhlig a mheudachadh eadar inbhich is clann: https://www.cne-siar.gov.uk/gd/news/2025/bruidhninn-gaidhlig-nuair-urrain-dhut • Bu chòir dearbhadh air luach na Gàidhlig don eaonamaidh a bhith air a thaisbeanadh dhan phoball.

- 6.6 Chaidh aontachadh gun coinneachadh na buidhnean seo gach cairteal agus gun dèigheadh curidhean a-mach san àm ri teachd gu buidhnean eile a bha an sàs ann an leasachadh na Gàidhlig. Thèid aithisgean a dheasachadh dhan Chomataidh mu thoraidhean nan coinneamhan seo.
