

REQUEST FOR SPECIAL MEETING OF THE COMHAIRLE

In view of the potential for significant reputational damage to the council and in light of the potential impact on future council contracts as a result of a major contractor on Lewis withdrawing from all council contracts, we the undersigned, request a Special Meeting of the council to be updated on this important issue and request that the chief executive submit a report to that meeting giving details of the latest position on this matter.

We, the undersigned, believe that members must be fully informed to allow elected representatives to better understand the likely impact on the communities we serve in the event that a resolution of this matter is not achieved in a timely manner.
