

## **COMHAIRLE NAN EILEAN SIAR – 2 OCTOBER 2024**

### **Notice of Motion – Patient Travel**

#### **Proposed by Cllr Susan Thomson, seconded by Cllr Frances Murray**

Patients have the right, enshrined in law to have the right to safe, effective, person-centred and sustainable care and treatment that is provided at the right time, in the right place, and by the most appropriate person. Patients have the right to be treated fairly and equally and not be discriminated against, whatever their health needs and wherever they live in Scotland.

Whilst recognising that work is ongoing, the Comhairle urges all parties concerned to take urgent action to collectively address the concerns of patients regarding transport to health appointments and to ensure these rights are met.
