#### CIVIC GOVERNMENT LICENSING

Taxi Review of	Licensing: Fares	4	With reference to item 11 of the Minute of Meeting of 21 June 2022 the Chief Executive submitted a Report reviewing the current level of fares for taxi and private hire car licensing (where appropriate) in the Western Isles. The Report stated that it was the duty of a licensing authority to set the scales and fares and other related charges for the hire of taxis, in terms of section 17 of the Civic Government (Scotland) Act 1982. Before the licensing authority carries out any review, it was required to consult with persons or organisations who were representative of the operators of taxis within their area, and to advertise its intentions with regard to the review, giving persons one month to make representations thereon, and further to consider any such representations duly made. An increase in the fares would necessitate a change to the meters which would then require to be tested. The cost of this would be borne by the taxi and private hire car operators.
-------------------	---------------------	---	--

The Licensing Officer had carried out the initial consultation required, and the responses were summarised in the Report.

#### It was agreed to recommend that the Comhairle:

- (1) agree to determine, in terms of section 17 of the Civic Government (Scotland) Act 1982 and in light of the initial consultation responses, to propose to keep the existing level of taxi fares; and
- (2) authorise the Chief Executive to implement the fares for taxi and private hire car licensing in the event that no relevant representations are received following advertisement.

#### ANTI-SOCIAL BEHAVIOUR

With reference to item 6 of the Minute of Meeting of 20 November 2024 the Chief Officer, Education and Children's Services submitted a Report providing an update on the draft Anti-Social Behaviour Strategy. The Report stated that the draft Anti-Social Behaviour Strategy and Action Plan went out for consultation during March and April 2025. The consultation sought to harness the views of Community Councils across Na Eileanan an Iar in the first instance. A similar but separate consultation was also created to seek the views of young people. A summary of responses from both consultations was provided in Appendices 1 and 2 to the Report.

The Report further stated that it was proposed to update the Strategy and Action Plan to reflect the comments received through the consultation and circulate the revised Strategy and Action Plan to partner agencies for their comments. A final draft of the Strategy and Action Plan would be presented to the Board in September 2025.

It was agreed to recommend that the Comhairle:

- (1) note the Report; and
- (2) agree that the draft Anti-Social Behaviour Strategy and Action Plan 2024-29 would be updated to reflect the comments received through the consultation following which the revised Strategy and Action Plan would be circulated to partner agencies for their comments.
