

TRANSPORTATION AND INFRASTRUCTURE COMMITTEE – FEBRUARY 2024
REPORTS OUTSTANDING – PROGRESS

No.	Date of Request	Subject	Action Required	Action By	Progress
1	5 December 2018	Stornoway Town Centre – Review of Pay and Display	Phase 1 implemented in September 2017. Review undertaken and Comhairle agreed that further surveys and consultation be undertaken by the Comhairle and its Partners under the ‘Stornoway Vision’ initiative prior to recommending a further extension to Pay and Display parking.	Chief Officer, Assets and Infrastructure	Report to a future meeting of the Committee.
2	16 June 2021	Local Government Benchmarking Framework	All Heads of Service will provide an annual report on the prioritisation of their service LGBF indicators to the relevant Service Committees, with improvement plans if necessary, and progress on performance will be included in the regular Performance Management Reports to each Committee.	Depute Chief Executive	Report to a future meeting of the Committee.
3	20 September 2023	Evening Bus Services – Lewis and Harris	Engage with the Broadbay and Westside communities at exploring options to seeking a community solution to securing the evening bus service beyond April 2024, and Report to the November Committee Meeting with an update on progress and submit a further Report at the February Budget Setting Meeting with options for continuing the service.	Head of Municipal Services	Report at Item 6 of the Agenda.
