

ROAD TRAFFIC REGULATION ACT 1984

COMHAIRLE NAN EILEAN SIAR

(BERNERA BRIDGE (S132) - WEIGHT RESTRICTION (7.5T))

TEMPORARY TRAFFIC REGULATION NOTICE 2021

Comhairle nan Eilean Siar, under section 14 of the Road Traffic Regulation Act 1984 and all other powers enabling them on that behalf, hereby gives Notice of the extension of the temporary weight restriction on the Bernera Bridge section of the B8059 an overall length of 100m or thereby as shown in blue on the plan annexed and subscribed as relative hereto (NGR: NB 16472 34202). This Notice will apply for a period of 5 months from 14 August 2021 up to and including 14 January 2022. This is an extension of the weight restriction notified under the Comhairle nan Eilean Siar (Bernera Bridge (s132) – Weight Restriction (7.5T)) Temporary Traffic Regulation Notice 2020, issued previously.

The weight restriction of 7.5 tonnes (laden or unladen weight) is required to ensure the safety of the general public as a result of the structural condition of the bridge limiting its carrying capacity from standard highway loading of vehicles up to 40 tonnes (44 tonnes articulated vehicles) as defined in Road Vehicles (Authorised Weight) Regulations 1998. The restriction shall not affect pedestrians from using the bridge.

Given by the signature of the undernoted Proper Officer and by the seal of Comhairle nan Eilean Siar

at Stornoway on (date) 13 AUGUST 2021
